

HEALTH & SAFETY

SANDERSON ENVIRONMENTAL

COMPANY HEALTH & SAFETY POLICY STATEMENT

It is the policy and overall business objective of Sanderson Environmental to provide products and services of the highest Quality and in compliance with the Clients' specified and legal requirements.

It is also the objective of **Sanderson Environmental** to enhance its reputation and capabilities in order to gain wider recognition in its field of expertise and continually strive to ensure that the needs and reasonable expectations of the Clients are realised in the Quality of the service it provides

The Health and Safety at Work, etc., Act 1974 imposes a statutory duty on employers to ensure in so far as is reasonably practicable the health and safety of their employees whilst at work. This duty also extends to others who may be affected by that work.

Employees also have a statutory duty to take care of themselves and others that may be affected by their acts or omissions.

To enable these duties to be carried out, it is our intent to ensure that responsibilities for health and safety matters are effectively assigned, accepted and fulfilled at all levels within our organisational structure.

THE MANAGEMENT OF SANDERSON ENVIRONMENTAL WILL, SO FAR AS IS REASONABLY PRACTICABLE, ENSURE THAT:

- Adequate resources are provided to ensure that proper provision can be made for health and safety.
- The employees under their control fully understand and observe all aspects of the company Health & Safety Policies and Procedures.
- All employees under their control are instructed regarding the provision, location and use of safety equipment and make every practical and reasonable effort to ensure that those employees use that equipment.
- Employees under their control are instructed regarding the proper use of all safety equipment.
- Employees under their control are instructed in the proper use, provision and location of all First Aid and Fire Equipment.
- Any information regarding Health & Safety matters is communicated to all persons under their control.
- Matters concerning Health & Safety brought to their attention by any
